Professional Summary

Real-life Problem Solver with expertise in Java, Spring Boot, RESTful APIs, and algorithm optimization.

Projects

- FEB-2024 Radar Detection and Tracking System** **Spring Boot, RestAPI**
Engineered a web-based defense system to track and predict drone, plane, and ship movements with 80% accuracy. Implemented Segment Trees for real-time speed prediction, enhancing military situational awareness.
- APR-2024 Defense Supply Chain System** **SpringBoot,RestAPI**
Developed a supply chain system using Dijkstra's algorithm to identify optimal routes, avoiding obstacles and enemy Zones. Achieved 85% route optimization accuracy, ensuring resource efficiency during critical operations.
- AUG-2024 Hotel Microservices** **API Gateway,Service Registry,Rate-limiting**
Engineered a microservices backend with user, hotel, and rating services; implemented service registry, API gateway, fault tolerance, and optimized inter-service communication using Feign clients and RestTemplate.

Professional Experience

- 2025-FEB Spense** **Software Engineer Intern**
Developing backend services using Spring Boot for Spense, a fintech company. Contributed to the Aditya Birla project, enhancing backend infrastructure and optimizing API performance for scalable financial solutions.
Bengaluru, Karnataka
- 2022-NOV Stumato** **Project Management Intern**
College dining app on Amazon Play Store modernizing paid mess system for enhanced student dining.Conducted 6 successful pilot runs with Army Institute of Technology, 600+ orders, Rs 34k revenue.
Pune, Maharashtra
- 2023-NOW Google Developer Student Clubs** **Secretary**
Spearheaded initiatives as Android Facilitator and Java Lead at GDSC AIT; organized the ENLIVEN hackathon with 250+ participants, crafted its webpage, and facilitated Android workshops in collaboration with GDG.
Army Institute of Technology, Pune

Leadership & Achievements

President of Computer Department Council.
MasterCard Hackathon Runner-Up.
Secretary, Google Developer Student Clubs (GDSC).
Team Lead, Border Communication Exchange App.

Interest/Hobbies

- **Problem-solving:** Solved 700+ algorithmic problems on platforms like CodeForces, LeetCode, and HackerRank.
- **Sports:** National-level basketball and football player.
